

Should we lengthen the school hours?

If we lengthen the school hours we would have more time for P.E and more one on one time. More time in each subject and more hands on classes. You will also Get to play with friends more. You will probably get smarter if you had longer school hours.

If there were longer school hours there would be more time to get bullied. More stress then you had before. Less time to play sports and enjoying life.

In conclusion there are many arguments to this and arguments to having longer school hours.
